The Prescriptive Outcome

Prescriptive Actions

- ✓ **Immediate:** Proactive notification (Do not wait for complaint)
- ✓ **Compensation:** Apply 10% credit (€125.00) per Platinum Policy
- ✓ **Logistics:** Expedite delivery from inbound stock

Financial Impact: Invest €125 credit to protect €250k Lifetime Value.

Scaling to the Enterprise: Revenue at Risk

Total Revenue Risk: €92,800

Revenue at Risk by Region

“Connect, Don’t Collect.”

Unified Access

One engine for Postgres, Snowflake, Iceberg, HCD.

Hybrid Intelligence

SQL facts + Vector knowledge.

Trusted Decisions

Grounded in live, governed data.
